

THE ST. ANDREW'S SOCIETY OF WINNIPEG Grant Application Form

(Updated version January 7, 2015)

The St. Andrew's Society of Winnipeg considers awarding financial grants to individuals or organizations for initiatives that further the objectives of the Society, which include but are not limited to:

- a) Preservation and promotion of Scottish culture and heritage within Manitoba, for all Manitobans,
- b) Increased understanding by the Manitoba public of the Scots' role in the origin and development of Manitoba, and
- c) Positive presentation to the world of Manitoba's Scottish culture and heritage

At this time the Society does not accept grant applications from businesses, or for the operation of a fund-raiser (although we would consider a direct grant to the recipient of a fund-raiser's proceeds), or for any form of tuition.
